

In 1925, a small Citroën made history by being the first car to travel right around Australia!

What makes this little car, and this event, of special interest to The Incredible Journey, is that its owner and driver, Nevill Westwood, was a young missionary/evangelist from Carmel College, Western Australia.

## Our plans include...

- Retracing the steps of Nevill Westwood's missionary trip around Australia in a restored 1923 Citroën 5CV (not the original, which is in the Canberra Museum).
- Re-enact a number of scenes from the original expedition.
- Produce television programs on the event.
- In the true spirit of Nevill's journey, we'll share the Everlasting Gospel as we go. This will include conducting outreach programs and other forms of evangelism in major cities and in smaller regional centres across rural Australia.

## What motivated Nevill Westwood to drive Right Around Australia?

Nevill set out from Bickley in Perth with two goals in mind.

1. To evangelise the Outback and sell a book called 'Our Day in the Light of Bible Prophecy'.
2. To collect money for Pacific Island countries to help improve education and health. He had hoped to merely reach Darwin if that was even possible; but his incredible journey took him 'Right Around Australia'.

## The Car – 1923 Citroën 5CV

The Citroën 5CV was crucial to the completion of the journey. It's a remarkable automobile known for its favourable features (being a light and simplistic design). Throughout their journey, the Citroën 5CV proved to be a reliable companion, enabling Nevill Westwood (and Greg Davies, his co-driver for part of the journey) to travel the exciting and diverse landscapes of Australia. What an adventure!

## 2025 – Right Around Australia

The 2025 incredible journey is to start on 21 February, from the Avondale University in Cooranbong, which is the town adjacent to Dora Creek, the home of The Incredible Journey office, then travel to Perth to set off once again from Bickley on 21 June, completing a clockwise circumnavigation of Australia, returning to Perth on 30 December and ultimately to return to Cooranbong on 25 January 2026.

## PRIMARY STOPS

A list of all the primary stops, with many more supporting locations and events planned.

- |   |  |
|---|--|
|  1 Perth          |  8 Cairns      |
|  2 Carnarvon     |  9 Brisbane   |
|  3 Port Hedland  |  10 Newcastle |
|  4 Darwin        |  11 Sydney    |
|  5 Alice Springs |  12 Canberra  |
|  6 Mt Isa        |  13 Melbourne |
|  7 Townsville    |  14 Adelaide  |

## OUR PLAN

Like the Apostle Paul's missionary journeys captured the imagination of Nevill Westwood, so Nevill's incredible journey has captured our imagination. And so, after 4 years of planning and discussion with many stakeholders, including churches and schools, we have big plans to celebrate the 100th anniversary of this pioneering event in 2025.

You can invest in this incredible journey by donating \$20 per km
